

Spring and Summer Camp 2023 Application Instructions

Completing the application electronically (can be completed on computer or mobile device):

- Click the application button on the camps page on our website.
- Complete the application.
- Once you have filled out the application, click the “Sign Here” box at the bottom and sign and type your name. Type your email address in the “email” box below the signature. **Note: This must be an email you have access to as the form will not be submitted until you confirm your signature via email.**
- Click “Finish”
- Tap to sign the consumer disclosure agreement.
- You should then receive an email from Adobe Sign to confirm your signature. Open the email and click “confirm my email address”. This may prompt you to open it in a web browser if completing on your phone. **Your application will not be submitted to us until you verify your email.**
- You will then receive a copy of your application in your email.
