Our Mission

At UCP Heartland, our mission is to provide children and adults living with differing abilities extraordinary care and support they need to thrive in school, at home, at work, and in the community.

UCP Heartland was established in 1953 by a group of concerned parents. For seven decades and beyond, we have been the beacon of hope, breaking barriers and fostering a sense of belonging for every individual. We are a 501 (c)3 non-profit dedicated to advancing the productivity and independence of people living with a spectrum of differing abilities including Autism, Down Syndrome, Cerebral Palsy, traumatic brain injuries, and other developmental disabilities.

Oak Tree Respite allows adults with differing abilities and their caregivers to take a much deserved break. Our Respite program offers a fully-accessible home-away-from-home in centrally-located Webster Groves. The home offers four large bedroom suites, a large kitchen, 2 living room spaces, and a private secured backyard.
