Our Mission

At UCP Heartland, our mission is to provide children and adults living with differing abilities extraordinary care and support they need to thrive in school, at home, at work, and in the community.

UCP Heartland was established in 1953 by a group of concerned parents. For seven decades and beyond, we have been the beacon of hope, breaking barriers and fostering a sense of belonging for every individual. We are a 501 (c)3 non-profit dedicated to advancing the productivity and independence of people living with a spectrum of differing abilities including Autism, Down Syndrome, Cerebral Palsy, traumatic brain injuries, and other developmental disabilities.

Why UCP Camp?

When school is out and parents are in need of somewhere for their children to go, look no further than UCP Heartland. Our inclusive camps provide socialization and continued learning for children ages 8-16. Experience this welcoming and supportive environment as you play games, create artwork, explore the community and make new friends! Parents, we've got you covered providing a nurturing and safe environment for your children while offering convenient hours of service!
